CONSERVATION

The 2023 Water Quality Report Will Be Available July 1

Westminster works hard every day to ensure our water is clean, safe, and affordable. Each year, we produce a Water Quality Report for residents that provides an overview of Westminster's drinking water quality as well as educational information about where we get our water. Please take a moment to learn more about the work that goes into delivering water to your home 24 hours a day, seven days a week. The City supports the conservation of our natural resources; therefore, printed copies of the report will be mailed only upon request. Customers may request a printed report by calling the City's Water Quality staff at 303-658-2461 or emailing water@cityofwestminster.us.

Sheridan Underpass Grand Opening

Please join us on June 10 to celebrate the grand opening of the Sheridan Underpass! This project completes an important bicycle and pedestrian connection between Downtown Westminster and RTD's U.S. 36 and Sheridan Station. Walk, bike, or roll down to the ribbon cutting and enjoy free treats from the Wafflerita food truck!

Join the Party

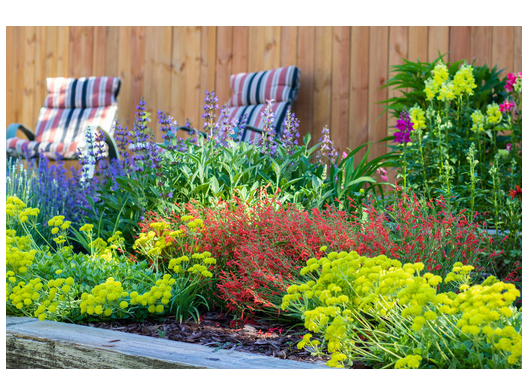

Saturday, June 10
9 – 11 a.m.

\$750 Lawn Replacement discounts available!

Thinking about converting your lawn into a low-water landscape? The City has partnered with Resource Central to help.

Jumpstart your water saving landscape remodel by calling Resource Central to learn more about the Lawn Replacement program. Westminster water customers are eligible for up to \$750 to help cover costs of replacing at least 200 square feet of lawn.

Slow the Flow

You could be using more water than you need to each time your sprinklers start. You can check your efficiency with a free sprinkler evaluation. Visit ResourceCentral.org/Sprinklers to sign up for a Slow the Flow evaluation today, and learn how you can save water on your lawn while keeping it green and healthy.

Financial assistance for water bills available for limited-income families

The Low-Income Energy Assistance Program (LEAP) now offers support for your water bill! If your income is 60% of the state median income or less, you may qualify for both water and winter heating bill assistance. Please apply as soon as possible because funding is limited.

Website: <https://cdhs.colorado.gov/leap>
Email: cdhs_lihwap_program@state.co.us
Phone: 866-432-8435

The City of Westminster has several programs available to help support you and your family when financial hardship happens. For additional financial support, please visit www.cityofwestminster.us/WaterBillAssistance or contact us at 303-658-2392 or wbassist@cityofwestminster.us.
